Geraldine,

Thank you for the update. I will wait to hear back from you regarding the sanitized report and possible day/time for conference call.

I would like to include my consultant on the call, if that's okay with you.

Subject: Conference Call to Discuss the Engineering Report

Hi [REDACTED] – I just wanted to let you know that I have not received the sanitized engineering report. Once I receive the report I will fax it to you and schedule the conference call. I did not want to have the call unless you had the report in hand, that way we can have a more productive discussion. Thanks

Geraldine Hilton
